

“Jesus Is...The Savior-Judge”

Use this guide as a tool to help you prepare to experience spiritual transformation in a practical way. It is a flexible guide that will help you discover, own, and apply the truths of God’s Word.

Message Summary

Jesus said to His disciples on the shores of the Sea of Galilee, “*Follow Me, and I will make you fishers of men!*” These men dropped their nets and followed Him. But who were they following? Prior to this invitation, Matthew gives us a picture of the Man they decided to follow. As a matter of fact, he gives us no less than 20 pictures of Jesus. David Platt, who identified these 20 pictures, said, “This Jesus is worthy of more than nominal adherence and church association...it’s either turn and run or bow and worship.”

This Jesus is the Promised Offspring that will crush Satan’s head and bless the whole world. He is the Promised King Whose reign has begun and He demands our allegiance. He is the Promised Messiah Who rules with authority as King; representing God to us as Prophet and us to God as Priest. He is the Promised Savior Who will save you from the bondage and consequences of sin. He is the Center of History and no other person, population, or power can change the fact that Jesus is the One toward Whom all of history before and after Him points. He is the God-Man; man’s perfect God and God’s perfect Man. This Jesus is Sovereign over the wise and Shepherd over the weak. Jesus is also the Inaugurator of the New Exodus. Just as the blood of the lamb over the doorposts of the Jews in Egypt inaugurated the Exodus from Egypt, God in His great mercy inaugurated a New Exodus from sin through the blood of His Son. Jesus is the Ender of our Exile. He is our only hope for ending our exile in sin. While hope is near, repentance is necessary, and deliverance is sure. Jesus is the Lover of His Fiercest Enemies. By the end of Matthew 2, we discover that everyone is out to kill Jesus. But Jesus pursued those who pursued Him. He suffered and died in their place. He received them to Himself. Jesus loves His fiercest enemies.

This week as we are introduced to the forerunner of Christ, John the Baptist, we discover that Jesus is the Savior-Judge. Just like God saved the people of Israel from bondage in Egypt and led them into the wilderness to worship Him, Jesus came to save a people for Himself; a people with whom He would dwell and identify so they might worship Him. John the Baptist pointed people to Jesus who would come to establish His kingdom people and rule and reign in their hearts.

But John also warned them about the consequences of not receiving Jesus as Savior. He would come to judge those who turn their hearts against this Savior King. Jesus, the Righteous Judge, will baptize with the Holy Spirit and fire. On the one hand, He will purify believers for eternal life but punish unbelievers in eternal damnation.

As you prepare to meet with your Missional Community this week examine your heart as it relates to those who don’t know Christ. Do you realize that apart from a relationship with Christ your friends and family will be separated from Him for all eternity in a real place called Hell? How does this affect the way you live? How does it affect your witness? Are you compelled to tell them about the Savior-Judge?
